NO. 7

During a home remodel, the powder room was updated with a striking paint finish and a new countertop and sink for the existing vanity. The gleaming, lacquered walls are painted in Benjamin Moore's "Wales Gray" (No. 1585). The vanity, topped with white onyx, is set with a floral-pattern Sherle Wagner "Summer Garden" sink. Interior designer: Lucy Earl, Jones-Keena & Co., Birmingham; 248-644-7515.
